My mom is a nurse. She works in a hospital and takes care of sick people.

My brother is a student. He studies math and science every day.

My sister is a waitress. She works in a café and brings food to people.

I want to be a teacher. I like helping children and teaching English.

My friend Sam is a mechanic. He fixes cars and works in a garage.

His mother is a baker. She makes bread and cakes every morning.

My uncle is a taxi driver. He drives people to many places in the city.
