

Reading Comprehension – A1: A Trip to the Countryside

Last weekend, Lucy and her friends went on a trip to the countryside. They left early in the morning and took a bus to a small village. The weather was sunny and warm, perfect for a day outdoors.

When they arrived, they walked through the forest and saw many birds, butterflies, and flowers. They took pictures and listened to the sounds of nature. After walking for a while, they stopped near a river to eat their lunch. Lucy had a sandwich, an apple, and a bottle of water. Her friend Mike brought cookies to share with everyone.

In the afternoon, they played games and relaxed on the grass. Some of them even took a short nap under the trees. Before going back, they cleaned up all their rubbish and made sure the place was tidy.

Everyone was tired but happy. Lucy said it was one of the best days she had in a long time.
