

## A Visit to the Grandparents' Village (A1 Intermedio)

Liam's family visits his grandparents every summer because they like the village. The grandparents' house is small and nice. This weekend, they are going there again. Liam's dad is driving the car, and his mum is listening to music. Liam's sister is playing with her doll, and the family dog is sleeping on the seat. Liam is looking out the window and sees many green trees.

The trip takes two hours, but the family is happy. Grandma has a big garden, and Grandpa's bike is next to the house. Liam is helping Grandma with the flowers, while Mum is cooking in the kitchen. Liam's sister is feeding the chickens. The village is quiet and clean.

At lunch, everyone is happy. Grandpa's soup is very tasty. In the afternoon, they walk to the river. The children's shoes get wet, but they don't mind. At night, they sleep in the guest room. Liam's family loves visiting the grandparents' village.
